Construction operations meets Xero, with the Interfy OneCore integration

Built by the same team that has been building integrations since 2017.

The OneCore interface you already know, connected to the most popular accounting ERP systems you use.

Assignar		xero
	Live Sync	
Projects ¹	\rightarrow	Tracking Category Projects
Clients		Contacts ²
Workers	+	Employees
Timesheets		Timesheets ³
Leave		Leave
	Key Mappings	
Timesheet Codes		Earnings Rate

1. Projects in Assignar needs to be associated with a client before it can be created

2. Contacts can be assigned a Xero contact group to filter the contacts syncing back to Assignar

3. Timesheets will be created against a project and earnings rate in Xero
